a new beginning

Concierge Service

Life's little extras.

Complement your standard care and services with a range of **personalised choices** to enhance your lifestyle and quality of life.

A hand wearing a white glove holds a silver tray. On the tray is a white card with the text "life's little extras ..." written in a cursive font. The background is a light-colored, textured wall.

life's little extras ...

The range of options available from our Concierge Service can be purchased as a one-off selection or as an ongoing individualised service care package. The fees vary for each residence, depending on services availability at each facility.

For more information, pricing and assistance please see our administration staff.
